Dear Jadie Naicker,

This letter is to inform you of my 30-day notice of resignation. My last day will be Thursday, September 28, 2023.

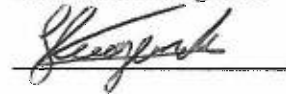

I am so grateful for my time here at Swiffy. I have learned so much with regards to administration, time management, project management and liaising with clients, just to mention a few. You along with Christian and Neil have mentored me helped me with things that I didn't understand as well as allowing me to make mistakes while I was learning.

The reason for my resignation is that I would like to start my own Software development company one day and in order to do that I need to work as a software developer to gain the necessary skills to achieve this. I always had a passion to build different projects using code as that is why I started my Computer Science degree with UNISA, which I need to finish.

Thank you again for the opportunity to work with you.

Sincerely,

John Mutebi Kaganda
